The Employee Appreciation Plan:

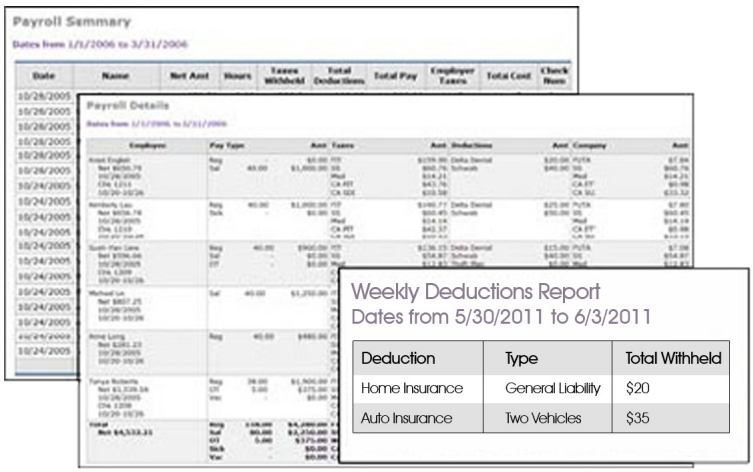
The Next Best Thing Since Direct Deposit!

Company Advantages:

EAP is a product of Smith Insurance that provides worksite home and auto insurance for your employees - all with the convenience of payroll deduction.

Great way to retain staff

- Attract and retain employees by offering insurance products that your employees want.
- Voluntary, cost free enhancement to your current benefits package - no contracts or agreements.
- Smith Insurance takes care of all the details with hands on execution.



Staff Advantages:

Your employees will appreciate this expanded benefits package that provides personal insurance through payroll deduction.

Meaningful benefits for your employees

- Savings through a multi-carrier platform - Smith Insurance will provide multiple quotes and a solution to meet each employee's unique insurance needs.
- No more late fees, no service charges and no large, one time payments.
- Customer service - Smith Insurance will always be available to answer employee questions including billing and claims.
